## You're Invited to the Kawartha Lake Stewards Association 2021 Annual General Meeting

**When:** Saturday, **October 2**, from 10:00 – 11:00am

Although we'd really love to see you all in person, current COVID-19 conditions require us to hold our meeting virtually this year. The Zoom link is below.

Our AGM will include the election of the 2021-2022 Board of Directors. If you are interested in joining the board we would love to hear from you! **Expressions of interest should be sent to [klsa@klsa.info](mailto:klsa@klsa.info) by September 22, 2021.** Please include which lake you are on, a brief description of how you feel you could contribute to the KLSA, or your areas of interest.

We are also pleased to present our second "Dockside Chat" by Dr. Bob Bailey.

### **"Mike Dolbey: A Master of Citizen Science"**

Bob chats with Mike about how his interest in freshwater ecosystems began with growing up near Lake Saint-Louis near Montreal, to diving in the Great Lakes, to systematically studying the waters near his long time Katchewanooka Lake cottage.

We really hope you can join us!
